

# Attending Artists: Please Read

---

- Anyone caught scrubbing tubes in public restrooms will be in violation of health codes and will be asked to leave the Expo and its premises.
- Suppliers will be present at the festival so you can buy any supplies you need.
- Paper towels will be for sale in the private artist area of the Expo.
- Artists and Piercers who are tattooing or piercing private areas (nipples and genitals) must have an enclosed/private area to do this in.
- Artist must comply with all needle agreements, care instructions and client release forms.
- Artists must inform all clients in regards to how to heal their new tattoos.
- Artists must bandage all new tattoos with lap cloths or drylock materials only. No clear saran wrap.
- No food or drink allowed in tattoo booths.
- No smoking in tattoo booths or anywhere in the Expo.
- Artists need to bring CPR & first aid certificates before you'll be allowed to tattoo or pierce.
- Artists need to bring bloodborne pathogens & cross contamination prevention certificates prior to being allowed to work.
